ENGR. ABIGAIL N. GONZALES

MSEE - PDME Director

Planning, Development, Monitoring and Evaluation Office - Administration Building, Occidental Mindoro State College.

Barangay. Labangan, San Jose, Occidental Mindoro

Dear Ma'am:

Greetings!

One of the requirements for our graduating students in the Bachelor of Science in Information Technology program is to undergo "On-the-Job Training" to selected establishments and public offices that are accessible and related to their field of specialization for the purpose of job exposure.

The college considered organizations and offices that could supervise and can further develop our students' skills to completely prepare them for the actual world of industry. The institution believed that your office met these requirements. In this regard, we humbly request your approval to become our industry partner and to accommodate our students who already passed the evaluation for OJT.

Based on the existing Policies, Standards, and Guidelines on each approved curriculum, the following fourth-year student is required to undertake 486 hours which is equivalent to 61 working days of on-the-job training (OJT) starting January 26, 2026 to April 30, 2026.

1. Paderes, John Joseph T.

Below is the list of skills and competencies of our students that your office may be able to enhance:

1. Computer Operations (e.g., Word Processing, Spreadsheet/Excel, Presentation Package/PowerPoint, E-mail & Internet Browsing).
2. Programming (e.g., Database Application, Application Development, Web Development)
3. Multimedia (Animation, Audio/Video Editing, Graphic Design)
4. Research (Project Development)
5. Networking (Cabling/Wiring, Data Communications)

It is understood that as trainees, he must abide the standards set by your office including health and safety protocols.

Moreover, we respectfully request your good office to assess him in his performance which will also serve as the basis for his OJT grades. A standard grading system will be provided for your easy reference.

Thank you for the usual support and cooperation.

Respectfully yours,

LEIZA LINDA L. PELAYO, MAITE
SIP Coordinator
